*Success and Fulfilment for all*

Monday 4<sup>th</sup> January 2021

Dear Parents,

I am sure that you will all have been watching the Prime Ministers announcement this evening and now know that we are entering a second national lockdown with school closure for most children in our school community now happening.

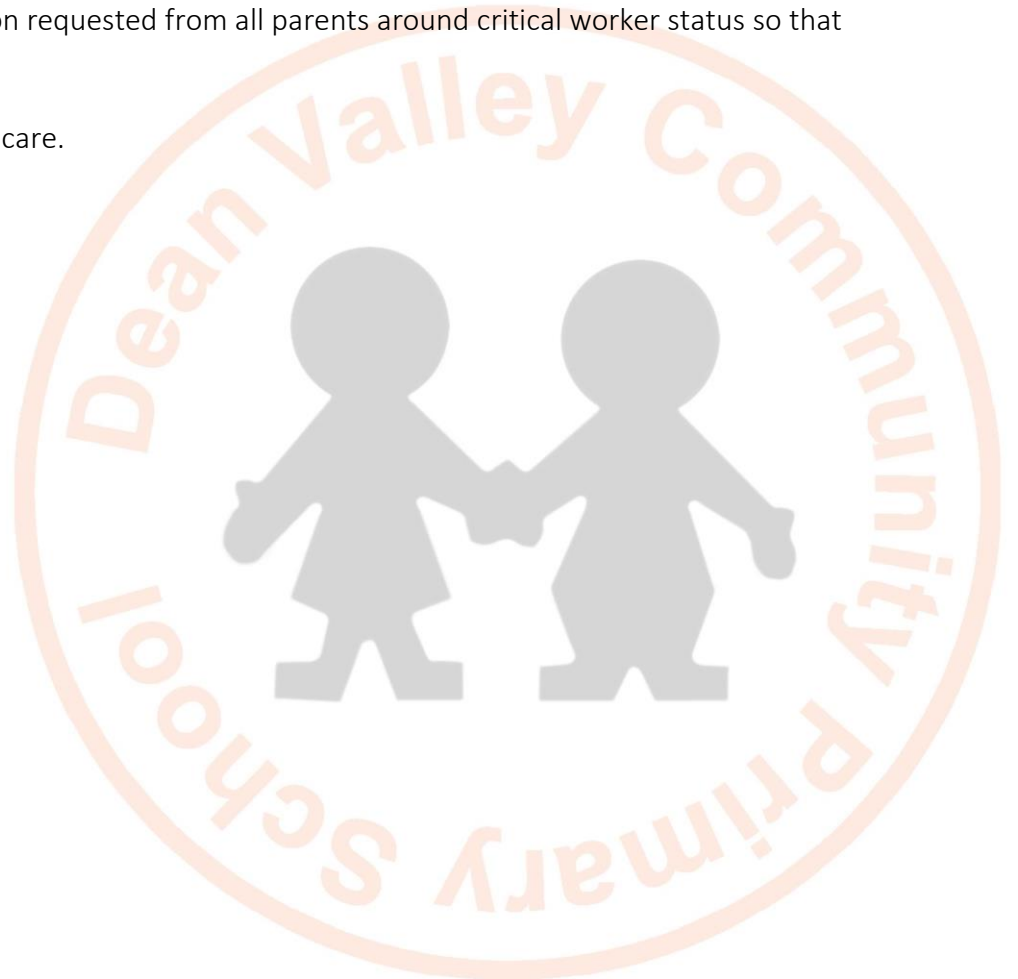

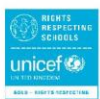

To say I am absolutely devastated is an understatement, the whole Dean Valley team have been hit hard this evening. Your children have been amazing today and staff have really enjoyed their day getting stuck back into learning and to know they are losing their classes for a while again to remote Home Valley learning is difficult to swallow. We will again make sure that we do everything we can to provide the best education, support and creativity in all that we do at this very difficult time making sure that children are supported academically and emotionally.

School will be closed to ALL pupils tomorrow 5<sup>th</sup> January 2021 while we organise our in school and online provision to begin from Wednesday 6<sup>th</sup> January. Further details will be provided tomorrow and information requested from all parents around critical worker status so that we can plan accordingly.

Please stay safe and take care.

Kind regards,

Vicky McPherson  
Headteacher
